Why attend ARMA NOVA meetings?

- To earn CEUs for many credentials, including CRM and IGP, PMP, CIP, etc.
- To create or strengthen connections with colleagues and business partners
- To hear from world-class speakers on cutting-edge topics
- To learn to apply best principles and practice to your own career and work

**Don't miss great opportunities to connect with other
RIM and IGP Professionals!**

ARMA NOVA members work in local and federal government agencies, commercial enterprises, and non-profit organizations.

Member experience ranges from those who are just starting their careers to those in senior management ranks. We are ready to share our extensive knowledge, experience, trends and challenges. Come and check us out!

**ARMA NOVA has been working hard to enhance our
members' experience!**

We're striving to provide important trending and educational topics from knowledgeable speakers in the industry. Watch for innovative programs, webinars and seminars during this new programming year.

See our website www.arma-nova.org

for current programs and events in and around Northern Virginia.

ARMA International has been a not-for-profit professional association since 1955. These Information Professionals work in a wide variety of industries, including government, legal, healthcare, financial services, and petroleum in the United States, Canada, and more than 30 other countries around the globe.

ARMA International 's members include records and information managers, information governance professionals, archivists, corporate librarians, imaging specialists, legal professionals, IT managers, consultants, and educators.

- **ARMA NOVA** helps knowledge-seeking records and information governance professionals by fostering collaboration and building relationships while promoting research, education, training, and networking programs.
- **Our chapter was established in 1988**. It's been thriving due to the strength of our programming.
