Our programming year runs from **September through June**.

Meet with us often; make us part of your continuing education – Follow our schedule for special programs and venues. This year, watch for our innovative virtual programming!

Check out our **Events!** Note the webinars and virtual social events on the facing page. Formerly, our chapter gathered for dinner meetings – but the COVID-19 pandemic has encouraged a different approach to this programming year, while we maintain our usual quality.

Our 2020-2021 virtual events are supported by our sponsors so they are **FREE!**

Join us – ‘Membership has its privileges!’ Some events may be for members only.

ARMA International has been a not-for-profit professional association since 1955. These Information Professionals work in a wide variety of industries, including government, legal, healthcare, financial services, and petroleum in the United States, Canada, and more than 30 other countries around the globe.

ARMA International’s members include records and information managers, information governance professionals, archivists, corporate librarians, imaging specialists, legal professionals, IT managers, consultants, and educators.

- **ARMA NOVA** helps knowledge-seeking records and information governance professionals by fostering collaboration and building relationships while promoting research, education, training, and networking programs.
- **Our chapter was established in 1988.** It’s been thriving due to the strength of our programming.

Join **ARMA INTERNATIONAL** at www.arma.org!

When you also join the **ARMA NOVA Chapter as a Pro** – It’s only \$25! (If you are a first-time professional member, you get a *free chapter event* during your first year!)

Chapter memberships for students are FREE!!

Check out our great opportunities to connect with Records & Information Management and Information Governance Professionals! Now Virtual and Online!

ARMA NOVA members work in local and federal government agencies, commercial enterprises, and non-profit organizations.

Member experience ranges from those who are just starting their careers to those in senior management ranks. We are ready to share our extensive knowledge, experience, trends and challenges.

Why attend ARMA NOVA meetings?

- **To earn CEUs for many credentials**, including CRM and IGP, PMP, CIP, etc.
- **To create or strengthen connections** with colleagues and business partners
- **To hear from world-class speakers** on cutting-edge topics
- **To learn to apply** best information management & governance principles and practice to apply in your own career and work

Meet with us often. Make us part of your continuing education – and professional network! You will find rich opportunities and have fun, too! Some events are so compelling, they earn pre-approved continuing education credits!
